Re: Missing Parts and additional fees

Dear Commissioner for Patents,

I am in receipt of your letter dated 3/02/04 in regards to missing drawing number 4C. Please note all references to drawing 4C is a typo or mistake and should not be included. There are no missing drawings.

I am including a copy of this section circling the error. I am also including the additional fees and a copy of your correspondence. If needed I can be reached at 636-728-0191 for further information.

Your attention to this matter is greatly appreciated.

Sincerely,

Debra J. Belton
